THE OVERVIEW

Annapurna Base Camp Trekking is one of the most popular trekking experiences in the Annapurna region of Nepal. There are several trekking destinations in this region, and among them, Annapurna Base Camp is one of the most popular choices for travelers. This trek was established in 1972 and officially opened for trekkers. Since then, thousands of people have completed this trek. The word "Annapurna" means "full of crops," symbolizing prosperity and natural richness. The major attractions of this trek include the diverse landscapes of Nepal, ranging from lush forests to high mountain terrain. Along the trail, you can experience many...
