THE OVERVIEW

Khopra Danda Trekking is one of the newly opened trekking routes in the Annapurna region of Nepal. This beautiful trekking trail connects with the Annapurna Base Camp route and separates from the main trail at Tadapani toward Khopra Ridge. The trek is known for its peaceful trails, stunning Himalayan views, and authentic local culture. During the trek, you walk through dense rhododendron forests, Himalayan bamboo forests, and scenic mountain landscapes. The trail offers magnificent panoramic views of the Himalayas including Mount Dhaulagiri, Annapurna I, Annapurna II, Annapurna III, Annapurna South, Hiunchuli, Machhapuchhre, Lamjung Himal, and Nilgiri.
